Historically, house flags were introduced in the 18th century by ship owners to enable them to prepare and recognize their ships when their cargo and passengers approached ports. Eventually, when the world shipping trade expanded, commercial house flags were flown in ports and terminals throughout the world to symbolize the company's presence. Capt. Rajesh Deshwal, the CEO of Darya explained the symbolic reference of the company's flag, which consists of the Pole star on Darya and four stars as corner stone representing Darya's core Values. The Pole star has reference to NAVIGATION, CORPORATE WORLD and HUMAN BEINGS.

With reference to Navigation, Pole star has long been the guiding light for the sailors to navigate their ship in deep oceans. In the corporate world, it translates to the company being steadfast, focused and goal oriented that leads to consistent and constant growth and at a human level, it is an alignment with nature and universe. The four stars as the corner stone symbolizes Darya's RITE way of doing business namely with Responsibility, Integrity, Transparency and Excellence.

To create a world class shipping company in the northern hinterland of India had been the dream of Capt. Rajesh Deshwal which is now translated into reality. Darya is a new generation Ship Management Company which comes with unique indigenous concepts of Ship Management, benefiting the ship owners and operators in having full control of their cash flow for the OPEX cost and other expenses. Darya's vision is to be the top of the line. top of the

mind company providing shipping solutions. The competent Darya team members are subject matter experts who are continuously aspiring to make Darya one of the best shipping companies in the world under the visionary leadership of Capt. Deshwal.

Darya has changed the mindset of people who think that ship management can only be done from a port city. Darya today has 10 ships under its management in less than a year, including the recent addition of a Suez max tanker. Darya is providing several job opportunities to the seafarers of Delhi NCR region and the neighbouring states.

Darya has transformed the regional scenario when it comes to the sailors of this part of the country by giving them a new and healthy option. With over 250 plus jobs for seafarers and 40 plus executive jobs on the shore side, Darya is leading the vision of our national shipping agenda – which is to create a large number of ship job opportunities along with increase in Indian Shipping Tonnage. Of the 10 Ships under its management 6 vessels are flagged in India.

The splendid event came to a close with guests indulging in tête-à-tête with lavish dinner and cocktails served. The future stars of Darya – the Cadets in the uniform added the glitter to the function.

We at SeaJob Wish Darya a good luck for all their forthcoming ventures.
